

Legal Studies: An Emphasis in the Faculty of Business Administration and Economics.

A student who completes the Emphasis in Legal Studies program receives a Bachelor of Business Administration degree. The student also receives a certificate of completion of Legal Studies from Haigazian University

On completion of the Business Administration degree with emphasis in Legal Studies, students are expected to be able to:

- Demonstrate a comprehensive knowledge of the fundamental theoretical issues in Business and Law and their relevance to practice;
- Demonstrate critical thinking capabilities through analysis and evaluation of information, leading to rational and informative actions;
- Write and communicate clearly and concisely;
- Demonstrate an appropriate academic foundation for further professional studies in the area of Business and Law.

Students intending to major in Business Administration with an emphasis in Legal Studies must first secure the approval of the Faculty and complete at least 82 credit hours in faculty requirements. Students entering as Sophomores must complete a minimum of 112 credits of 200-level courses. Students entering as Freshmen must complete a minimum of 142 credits, of which 112 credits must be in 200-level courses.
