

Management Information Systems: An Emphasis in the Faculty of Business Administration and Economics.

Coordinator: Lena Karageuzian - Urneshlian, Diplom Informatiker

A student who completes the Emphasis in Management Information Systems receives a Bachelor of Business Administration (BBA) with an emphasis in Management Information Systems.

The students who graduate from the emphasis in MIS will be able to:

- Apply the theories and applications of MIS to enhance the competitiveness and effectiveness of firms.
- Design and control the information systems development cycle.
- Understand and apply all the technical aspects of management information systems.

Students intending to major in Business Administration with an emphasis in Management Information Systems must first secure the approval of the Faculty and complete at least 76 credit hours in faculty requirements. Students entering as Sophomores must complete a minimum of 106 credits of 200-level courses. Students entering as Freshmen must complete a minimum of 136 credits, of which 106 credits must be in 200-level courses.
