

ASSISTANT/ ASSOCIATE PROFESSOR OF CLINICAL PSYCHOLOGY

The Department of Psychology at Haigazian University is seeking a full time Assistant or Associate Professor of Clinical Psychology starting Fall 2022-2023. The position entails the following responsibilities:

- Design and teach graduate courses in Clinical Psychology at the graduate level, and psychology courses of different specializations at the undergraduate level.
- Supervise practicum experiences in a clinical setting (psychiatry services in hospitals, mental health care institutes, etc.)
- Supervise graduate theses (as main advisor or reader)
- Conduct research, and encourage students to participate in research in their area of expertise
- Serve on departmental, faculty and university committees
- Participate in outreach initiatives

The potential candidates for this role should have:

- Ph.D. or Psy.D. in Clinical Psychology from an accredited university (local or abroad)
- Evidence for published scholarship (author and/or co-author) within the last 5 years
- Evidence for Accredited Doctoral Internship (local or abroad)
- Previous teaching experience in Higher education (minimum 1 year)
- Fluency in English

Interested candidates should send a letter of interest, statement of teaching and research, curriculum vitae, and contact information for three referees. All documents need to be saved as a single pdf file and sent by email to arts.sciences@haigazian.edu.lb.
