SUPPORT FUND INC

August 31, 2020

Dear friends,

We hope you and your loved ones are doing well during these unprecedented times.

Under normal circumstances, this message would have been accompanied by an invitation asking you to attend one of our 65th Anniversary celebrations. And while it remains true that this year represents Haigazian's 65th year educating our treasured youth, the prevailing state of affairs prevent us from celebrating together at this time.

But that does not mean we can afford to neglect our mission. In fact, we are especially proud to announce that on September 7th, despite all that is going on, Haigazian University will begin its fall semester!

It is with our students in mind that we write to you today. By now, you are all aware of the varying issues plaguing Lebanon and specifically Beirut. It would take a full-length novel to describe the devastation that marred our beautiful city on August 4th. But we refuse to dwell on the negative and choose to keep our eyes fixed on the positive!

Simply put, we need your help to ensure our students have a successful fall semester. Your donations will make all the difference in our students' ability to attend or not attend. Now, more than ever, we need your help with our scholarship fund to assist students who need financial aid and also help in HU's IT infrastructure capability to allow students to participate in remote learning. Funds to procure laptops, internet connections, servers, tablets, and multiple supplies are needed immediately.

We kindly ask you to consider a financial gift, no matter the size. We need to come together to tell our students that we care and that we are here for them. As one of our supporters proudly stated:

**I AM HAIGAZIAN, I AM BEIRUT!**
