

ASSOCIATE PROFESSOR IN CLINICAL PSYCHOLOGY

The Department of Psychology at Haigazian University is seeking a full time Associate Professor of Clinical Psychology starting Fall 2024-2025.

The position entails the following responsibilities:

- Design and teach graduate courses in Clinical Psychology and undergraduate courses in Psychology.
- Advise undergraduate and graduate students.
- Supervise practicum experiences in a clinical setting (psychiatry services in hospitals, mental health care institutes, etc.)
- Supervise graduate theses.
- Conduct research in their area of expertise.
- Serve on departmental, faculty and university committees.
- Participate in outreach initiatives.

The potential candidates for this role should have:

- Ph.D. in Clinical Psychology from an accredited university.
- A minimum of five years of university teaching experience as Assistant Professor and five publications in refereed journals and academic conferences.
- Some published scholarship or demonstrated potential to conduct research.
- APA-accredited internship (Preferred).

How to apply:

Interested candidates should send a letter of interest, statement of teaching and research, curriculum vitae, and contact information for three referees. All documents need to be saved as a single pdf file and sent by email to arts.sciences@haigazian.edu.lb
