

FULL-TIME FACULTY: BIOLOGY

The Department of Biology at Haigazian University is seeking a Full-Time Faculty in Biology starting Fall of 2025-2026.

The position entails the following responsibilities:

- Teach and/or design undergraduate courses in topics ranging from General Biology to Molecular & Cell Biology, Biotechnology, Molecular Diagnostic, General & Human Genetics.
- Supervise and/or teach laboratory sessions pertaining to any of the above-mentioned disciplines.
- Engage in scholarly work and research.
- Advise and mentor students.
- Engage in services to the department, the University and the profession.
- Contribute to the development of the program.

The potential candidates for this role should have:

- A Ph.D. degree in Biological Sciences or its equivalent from an accredited academic institution.
- Evidence for published scholarship (author and/or co-author) within the last 5 years.
- Previous teaching experience in Higher education.
- Fluency in English.

How to apply:

Interested candidates should send a letter of interest, statement of teaching and research, curriculum vitae, and contact information for three referees. All documents need to be saved as a single pdf file and sent by email to arts.sciences@haigazian.edu.lb
