

Education

Coordinator: Nizar Mehtar, Ph.D.

The Department of Education offers a B.A. in Education with emphases in Early Childhood Education, Elementary Education, and Special Education. It also offers a minor in Education and the Teaching Diploma in different areas of specialization. In addition, M.A. degree in Education is offered with emphases in Educational Administration and Supervision and Special Education.

UNDERGRADUATE

The Education program prepares students to:

- Create caring, respectful, and supportive learning environments for all students.
- Demonstrate skills in observation, documentation, assessment of students' progress, and evidence-based decision making.
- Develop the professional knowledge, skills, and professional dispositions necessary to help all students learn.
- Develop pedagogical content knowledge relevant to early childhood and elementary school.
- Build and maintain positive, productive, and reciprocal relationships with children, families, and colleagues.
- Demonstrate a commitment to professional ethics, equity, social justice, and positive attitudes towards the teaching profession as a whole.
- Develop a personal philosophy and an overall vision of teaching.
- Develop the attributes of critical and creative reflective practice and lifelong learning.

To enroll in the Education major, the student must earn a grade of 70 or above in EDU 201. All students in Early Childhood Education, Elementary Education, Normal Diploma and Special Education must maintain a minimum average of 70 in the major to be enrolled in the Observation and Internship courses (EDU 218 or SPE 219). To qualify for a B.A. in Education, the student must complete at least 97 credits of requirements. These credits include the general university requirements, the core department requirements, and the additional requirements pertaining to the level and field of his or her chosen subject area(s) of specialization.

The Department also offers a minor. The following are the Education minor requirements:

- A cumulative average of 70 in all Education courses.
- Successful completion of 18 credits: EDU 201, ECE 201, EDU 221, EDU 232, EDU 247 and one elective education course.

Students minoring in Education should complete at least 9 credits of their minor at Haigazian University and score a minimum grade of 70 in EDU 201. For more details regarding minors, kindly refer to the Minors section of the catalog.

UNDERGRADUATE

B. A. in Education (Early Childhood and Elementary)

I - General Education (30 cr.)

Core requirements for all HU students are listed on page 60.

II - Education Core Requirements for both Early Childhood Education and Elementary Education (37 cr.)

Students are required to take these three courses (EDU 201, 202, and PSY 201) during the sophomore year.
