ASSISTANT PROFESSOR IN COMPUTER SCIENCE

The Department of Computer Science at Haigazian University is seeking a full time Assistant Professor in Computer Science starting Spring of 2027-2028.

The position entails the following responsibilities:

- Teach and/or design undergraduate courses.
- Engage in scholarly work and research.
- Advise and mentor students.
- Engage in services to the department, the University and the profession.
- Contribute to the development of the program.
- Additional duties may be set by the department in light of departmental needs and priorities.

The potential candidates for this role should have:

- A Ph.D. in the respective discipline from a well-recognized University.
- A minimum of four years of university teaching experience and five publications in refereed journals and academic conferences.
- Evidence for published scholarship (author and/or co-author) within the last 5 years.
- Previous teaching experience in Higher education (minimum 2 years).
- Fluency in English.

How to apply:

Interested candidates should send a letter of interest, statement of teaching and research, curriculum vitae, and contact information for three referees. All documents need to be saved as a single pdf file and sent by email to arts.sciences@haigazian.edu.lb
